**Job Description:**

Primary Objective:

Work as part of our maintenance team on all company vehicles and equipment. Additionally, provide quality, efficient, and safe delivery of product as needed.

Major Accountabilities:

- Assist with the maintenance of vehicles & equipment as directed by maintenance manager.
- Maintain cleanliness of shop and warehouse areas.
- Accurate and efficient unloading and delivery of products.
- Assist with the distribution of farm supply products and grain when assigned.
- Report to assigned workplace at time specified.
- Participate in safety and job-related training programs provided by company.
- Follow company policies and procedures regarding safety and conduct.
- Create a positive, professional image to customers and community.
- Accept and carry out other assigned duties given by manager.

**Knowledge, Skills, Abilities:**

- **Knowledge and understanding of mechanics, diesel engines, torching, & welding experience is preferred.**
- **Class A Commercial Driver's License with Tanker Endorsement kept in good standing.**
- Display a high level of initiative, effort, and commitment while completing tasks efficiently and self-sufficiently.
- Ability to communicate information or ideas effectively.
- Ability to organize, deal with change effectively, and work on multiple tasks concurrently.
- Ability to work in a fast-paced environment, at times independently.
- Utilize math skills when performing daily operations.
- Work overtime with little notice.
- Operate company vehicles safely, obeying all traffic laws.
- Comply with all company safety requirements.

**Physical Requirements/Environmental Adaptability:**

- Requires strength to lift, push, pull or carry objects of a minimum of 50 pounds. Also, the flexibility to bend, stretch, twist, or reach with your body, arms and/or legs. Also, trunk strength and ability to use abdominal and lower back muscles to support part of the body repeatedly or continuously over time. Some tasks may include repetitive motion.
- Climbing heights may be required.
- Agricultural environments may be undesirable at times including exposure to weather extremes, noise, dust, fumes, chemicals and fertilizers, and strains from lifting and bending requirements. PPE may be required for some tasks.
