Seasonal Job Posting at Rio Creek Feed Mill

Job Title: Seasonal Crop Scout

Locations: Rio Creek & Luxemburg, Wisconsin

Employment Type: Seasonal Full Time (40-50 hours / week during spring & summer of 2023)

Benefits: n/a

Salary: Negotiable

Posted Date: 01/25/2023

Closing Date: when filled

Job Description:

Primary Objective:

- To provide quality, efficient, and accurate information and assessment of stages, nutrient deficiencies, diseases, weeds, and insect pressure in field crops.

Major Accountabilities:

- Scout fields on a regular basis to achieve accurate crop assessments and report findings to agronomy team.
- Assist with the distribution of farm supply products and grain when needed
- Assist agronomy team with plots
- Maintain required licenses, physicals, etc. necessary to perform job requirements
- Participate in safety and job-related training programs provided by company
- Follow company policies and procedures regarding safety and conduct
- Create a positive, professional image to customers and community

Knowledge, Skills, Abilities:

- Hold a valid, clear license and operate company vehicles safely and lawfully
- Comply with all safety requirements
- Willingness to learn scouting software & technology
- Displays a high level of initiative, effort, and commitment towards completing assignments efficiently
- Ability to communicate information or ideas effectively in written or oral form
- Ability to organize, deal with change effectively, and work on multiple tasks concurrently
- Ability to work in a fast-paced environment, at times independently with minimal supervision
- Possess math skills when performing daily operations

Physical Requirements/Environmental Adaptability:

- Requires physical strength and endurance to walk multiple cumulative miles per day in various fields while assessing crops in summer weather.
- Requires strength to lift, push, pull or carry objects with a minimum of 50 pounds. Also, the flexibility to bend, stretch, twist, or reach with your body, arms and/or legs. Also, trunk strength and ability to use abdominal and lower back muscles to support part of the body repeatedly or continuously over time. Some tasks may include repetitive motion.
- Agricultural environments may be undesirable at times including exposure to weather extremes, noise, dust, fumes, chemicals and fertilizers, and strains from lifting and bending requirements.
- Personal Protective Equipment(PPE) may be required for some tasks.
