Job Description:

Primary Objective:

Provide quality, efficient, and safe delivery of product, work with our agronomy team during planting season, and load and unload product within the facilities.

Major Accountabilities:

- Report to assigned workplace at time specified; late arrivals or absences must be reported to the supervisor prior to start time
- Maintain required licenses, physicals, etc. necessary to perform job requirements
- Blending and applying fertilizer and chemicals according to labeled directions or recommendations by Rio Creek Feed Mill Agronomy staff
- Assist to achieve accurate and efficient unloading and delivery of products
- Assist with the distribution of farm supply products and grain when assigned
- Maintain cleanliness of shop and warehouse areas
- Participate in safety and job-related training programs provided by the company
- Follow company policies and procedures regarding safety and conduct
- Create a positive, professional image to customers and community
- Accept and carry out other assigned duties given by manager

Knowledge, Skills, Abilities:

- Displays a high level of initiative, effort and commitment towards completing assignments efficiently
- Ability to communicate information or ideas effectively in written or oral form

- Ability to organize, deal with change effectively, and work on multiple tasks concurrently
- Ability to work in a fast-paced environment, at times independently with minimal supervision
- Possess math skills when performing daily operations
- Related field experience preferred but not required
- Work overtime with little to no notice
- Willingness to learn and operate computer and GPS systems
- **Obtain a Class A Commercial Driver's License with Tanker Endorsement and keep it within good standing**
- **Obtain a Custom Applicator License**
- Must drive company vehicles safely and obeys all traffic laws
- Comply with all safety requirements

Physical Requirements/Environmental Adaptability:

- Requires strength to lift, push, pull or carry objects with a minimum of 50 pounds. Also, the flexibility to bend, stretch, twist, or reach with your body, arms and/or legs. Also, trunk strength and ability to use abdominal and lower back muscles to support part of the body repeatedly or continuously over time. Some tasks may include repetitive motion.
- Climbing heights may be required.
- Agricultural environments at times may be undesirable at times including exposure to weather extremes, noise, dust, fumes, chemicals and fertilizers, and strains from lifting and bending requirements.
- Personal Protective Equipment(PPE) may be required for some tasks.
