Job Description:

Primary Objective:

Manage all outdoor operations at our Luxemburg location in an efficient, safe, and accurate manner.

Major Accountabilities:

- A high level of self-motivation is required to effectively complete daily tasks, including but not limited to:
 - Reporting to assigned workplace at time specified; late arrivals or absences must be reported to the supervisor prior to start time
 - Accurate and efficient unloading and loading of products by truck and rail
 - Accurately assess bin capacities – climbing is required
 - Maintain equipment on a daily and monthly basis
 - Maintain outdoor cleanliness of overall location
- Other tasks include:
 - Participate in safety and job-related training programs provided by company
 - Follow company policies and procedures regarding safety and conduct
 - Create a positive, professional image to customers and community
 - Accept and carry out other assigned duties given by manager

Knowledge, Skills, Abilities:

- Displays a high level of motivation, initiative, effort and commitment towards completing tasks efficiently & safely.
- A general understanding of technology and ability to utilize an automated system is preferred.
- A CDL is recommended if not already held, training and assistance to receive the license will be provided.
- Ability to communicate information or ideas effectively in written or oral form
- Ability to organize, deal with change effectively, and work on multiple tasks concurrently

- Ability to work in a fast-paced environment, mostly independently with minimal supervision
- Possess math skills when performing daily operations
- Related field experience preferred but not required
- Work overtime with little to no notice as well required weekends.
- Must drive company vehicles safely and obeys all traffic laws
- Comply with all safety requirements

Physical Requirements/Environmental Adaptability:

- Requires strength to lift, push, pull or carry objects with a minimum of 50 pounds. Also, the flexibility to bend, stretch, twist, or reach with your body, arms and/or legs. Also, trunk strength and ability to use abdominal and lower back muscles to support part of the body repeatedly or continuously over time. Some tasks may include repetitive motion.
- Climbing heights will be required.
- Agricultural environments at times may be undesirable at times including exposure to weather extremes, noise, dust, fumes, chemicals and fertilizers, and strains from lifting and bending requirements.
- Personal Protective Equipment (PPE) may be required for some tasks.
