### Job Description:

#### Primary Objective:

Provide quality, efficient, and safe delivery of agronomy product utilizing a Commercial Drivers License.

#### Major Accountabilities:

- Accurate and efficient loading, unloading, and delivery of products.
- Assist with the distribution of farm supply products and grain.
- Report to assigned workplace at time specified.
- Participate in safety and job-related training programs provided by company.
- Follow company policies and procedures regarding safety and conduct.
- Create a positive, professional image to customers and community.
- Accept and carry out other assigned duties given by manager.

### Knowledge, Skills, Abilities:

- **Class A Commercial Driver's License with Tanker Endorsement kept it in good standing required.**  
**\*NOTE: a farm service CDL is applicable for this position. More information can be found here ->**  
**<https://wisconsindot.gov/Documents/dmv/shared/bds201.pdf>**
- Display a high level of initiative, effort, and commitment while completing tasks efficiently and self-sufficiently.
- Ability to communicate information or ideas effectively.
- Ability to organize, deal with change effectively, and work on multiple tasks concurrently.
- Ability to work in a fast-paced environment, at times independently.
- Utilize math skills when performing daily operations.
- Operate company vehicles safely, obeying all traffic laws.
- Comply with all company safety requirements.

### Physical Requirements/Environmental Adaptability:

- Requires strength to lift, push, pull or carry objects of a minimum of 50 pounds. Also, the flexibility to bend, stretch, twist, or reach with your body, arms and/or legs. Also, trunk strength and ability to use abdominal and lower back muscles to support part of the body repeatedly or continuously over time. Some tasks may include repetitive motion.
- Climbing heights may be required.
- Agricultural environments may be undesirable at times including exposure to weather extremes, noise, dust, fumes, chemicals and fertilizers, and strains from lifting and bending requirements. PPE may be required for some tasks.
